

*Young Adult Ministry News and Updates:
11/7/17*

Bible Study will meet this
Thursday, Nov. 9th, from 7-8
pm in the Vespers Room. The
final meeting is next week on
Nov. 16th.

We welcome all to come share
and reflect on the good Word
in our lives!

Thanks to all who came out to Dalton's for Theology on Tap and to Fr. Bud for helping us start a dialogue. We hope to repeat this event in the near future and create space for folks to gather and discuss different Theological topics.

As we enter the holiday season, often characterized by over-consumption and consumerism in our society, consider stepping out of your comfort zone and focusing instead on learning more about world hunger, gaining perspective on the challenges that confront those living in poverty and

finding out how you can work to address injustice.

The Faith & Justice group is hosting a "**Hunger Banquet**" in the **Fellowship Hall** on **Sunday, November 12th** from **5.30-7.00pm**. [The Oxfam Hunger Banquet](#)

is a powerful tool that brings to life the inequalities in our world and challenges us—as the more economically fortunate—to realize how our decisions affect others in the world. All young adults are invited to participate! Few leave an Oxfam Hunger Banquet with full stomachs, but all leave filled with a greater understanding of the problems of global hunger and poverty and the motivation to do something about it.

For more information and to RSVP, contact Aimee Shelide Mayer at amayer@cctenn.org or 615.760.1019. (Please RSVP by November 9th.)

We need your time and talent!

3 Opportunities to serve are below.

We hope (and have a feeling...) you'll get more than you give!

1) **Saint Henry School Athletics** would like to invite our young adults to consider being a volunteer coach for one of our teams. We are currently looking for basketball coaches/assistant coaches for basketball, but will also be needing volunteers in the spring for soccer and volleyball. If you are interested, you can register on the school's website thru this [link](#). Keep scrolling down until you see

"Volunteer to Coach" and the password is: parent

Whether you were a Tiger when you were younger, or went to school somewhere

else, we would love for you to consider working with our youth. We will have places for both head coaches and assistant coaches and the time commitment could be anywhere from a couple of hours a week up to 10+/- a week. We have teams from 3rd/4th grade to Varsity at the Junior High level. If you have any questions regarding our sports programs, please email ad@sthenry.org

2) **St. Henry School** also needs volunteers for a new program called Tiger Tales! If you have some flexibility during the day and are interested in helping kids learn to read (and love it!), this is a wonderful opportunity. Email kbradley1@sthenry.org for more details!

3) Best Buddies Nashville, an organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment and leadership development for people with intellectual and developmental disabilities, is seeking peers for their buddies, specifically young adult males (although young women are welcome too!). Please email me at amyjohnston@sthenry.org to serve or with any questions. We will be collaborating with Best Buddies for some upcoming events and would love to have some buddy pairs in our Young Adult Group!

Don't miss our **80s night** on **Saturday, Nov. 18th**. Put on those stylish jelly bracelets and shoes, crimp your hair and find some parachute pants. We'll start with attending 5:00 Mass, move to the Vespers room for drinks and dinner, and conclude watching some classic 80s movies.

**Get your tickets now for our Jan. 28th event:
THE POWER OF BOUNDLESS COMPASSION; AN EVENING WITH
FATHER GREG BOYLE**

Father Greg Boyle is the author of the New York Times Bestselling book, “Tattoos on the Heart: The Power of Boundless Compassion.” In 1986, he was appointed pastor of Dolores Mission Church in the Boyle Heights neighborhood of Los Angeles where street gangs were prevalent. Homeboy Industries was born in 1988 and is now the largest gang intervention, re-hab and re-entry program in the United States. The event is free but a \$20 donation to defray the cost of the event would be greatly appreciated.
