Dear Bishop Choby,

I, \_\_\_\_\_, ask to be accepted as a candidate for confirmation.

I was born in Houston, TX and moved to Nashville in 2010. I am part of a Catholic family and have 2 younger brothers. I have been baptized and have received my First Reconciliation and First Communion, and now I am hoping to be confirmed. I have gone to St Henry School now for 6 years and have made some good friends.

I have been preparing my heart for confirmation by helping others, volunteering, and completing my service hours for confirmation. My favorite scripture is Isaiah 41:10, because it tells us that no matter what, God will always watch and guide us to the kingdom of heaven. In receiving this sacrament I realize I will have more responsibilities including community service, being involved in church ministries, and keeping my faith strong. I feel that confirmation will help me be closer to God and help me become a better person. I am grateful for being Catholic and for belonging to the Catholic Church.

I look forward to becoming fully initiated to the Catholic Church and becoming closer to God. I am grateful for your pastoral leadership to guide and help us for Confirmation. I look forward to the celebration of Confirmation.

Sincerely,
